

Curriculum Overview for Year 4

As writers, the children will be writing narratives based on stories with imaginary settings and stories with a historical setting. We shall be focusing on using fronted adverbials, punctuating direct speech, writing commas in a list and using a variety of descriptive techniques.

English

As readers, the children will read a variety of texts based on our Topic of the Rise of the Roman Empire. These will include information texts, stories and explanation texts. The children will take part in class guided reading sessions where they will take turns to read parts of the text aloud and discuss their understanding of what they have read.

Art

As artists, the children will be learning about famous European artists and their pieces of work. The children will learn, practice and develop these techniques using a variety of mediums.

Computing

As coders, the children will use search technologies effectively, appreciate how results are selected and ranked, and be discerning in evaluating digital content.

Rise of the Roman Empire

As mathematicians, the children will develop their understanding of place value up to 4 digit numbers. They will then use this knowledge to solve a variety of multiplication and division calculations in a variety of contexts.

Mathematics

The children will develop their understanding by using concrete apparatus, formal written methods and a variety of mathematical investigations.

Throughout the year, the children will continue to improve their understanding of the times tables up to 12x12. A times tables test will be conducted on Friday afternoons.

Modern Languages

French this year will be delivered by Madame Warnes on Friday afternoons. As linguists, the children will develop their French vocabulary through songs and games. The children will also begin to learn more complex sentences and learn about French traditions and celebrations.

Music

As musicians, the children will be learning African drumming with Benjamin on Tuesday mornings. They will be learning how to use the different parts of their hands and the drums to create different sounds and patterns.

Science

As scientists, the children will be learning about sound. They will develop their understanding of how sound is produced and how sound travels through different states of matter. The children will also learn about the human ear and how they receive and interpret sound.

Topic.

As historians and geographers, the children will be understanding how, when and where the Roman Empire gained power. We will understand what life was like in Roman times and also how the Romans changed Britain.

Physical Education

As competitors, the children will learn the basic skills for Netball and Yoga. Yoga will be delivered by Penny on Wednesday mornings and PE by Mr Tranmer on Friday afternoons.

Religious Education

As theologists, the children will learn about Christian values through a range of Bible stories. The children will also learn about the Christian Faith in Action.

Important Dates

Monday: Spellings handed out

Wednesday: P.E. (indoor yoga)

Thursday: Homework handed in and library books changed (if needed).

Friday: P.E. (indoors) with Mr Tranmer (PM), French with Madame Warnes (PM), times tables test and spelling test.

Miss Seaton is out of the classroom Friday PM

Homework

Year Four will be given weekly spellings that will be tested that Friday. Although we will focus on these in school, practice at home would be much appreciated.

The children will also be asked to complete a 'Learning Journal' as part of their homework. They will be asked to demonstrate their learning from literacy, numeracy or topic sessions that week, and they may choose their own way of doing so. Please see the front of their Learning Journal for further details and ideas.

Reading is an integral part to all learning. Please encourage your child to read independently, and when possible hear them read aloud. It is important that your child understands and can talk about what they are reading as well as decoding the words. Please use the suggested questions at the front of the reading record to help you with this.

Homework will be given on Fridays for completion by the following Thursday.
