

Curriculum Overview for Year 3

English

As readers the children will read the class text (Percy Jackson) discuss meaning, language and literacy devices through deep and specific questioning. They will complete comprehension questions with an explicit focus on methods and techniques for answering longer and particularised questions, whilst also completing grammar, vocabulary and punctuation activities weekly.

During English this half term, the students will be analysing the structure of play scripts. We will learn a new Ancient Greek story and adapt it in to a performance. The children will ten perform different parts of this to the class. Also during English, the students will be producing some poetry based upon Ancient Greek life.

As speakers and listeners, the children will be increasing their confidence of speaking in front of their peers throughout the curriculum., especially in Literacy when they perform their own writing.

Art & Design

As Artists, the children will be producing some Ancient Greek style Drawings. We will look at different ways of sketching and move on towards painting figures.

We will also be producing some Ancient Greek style pots for the children to bring home to display.

The children will also participate in sewing lessons.

Computing

As technologists the class will be working on their ability to code. They will use 'Sketch' to programme 'sprites' and make them perform certain functions.

Moreover, the children will be working on their ability to use word and all of its functions. Through their increasing understanding, the importance of e-safety and research safety will be discussed and covered vigilantly.

Mathematics

This half-term, the children will be working on their ability to recall their times tables. This will start with their 3 times table before progressing on to their 4 and 8 times tables. Fluency will be achieved by the children being able to both recite the times table and also the division facts which accompany them. Please use Tackling tables at home as often as possible for no more than 5 minutes each time.

During maths this half term, the students will be focusing on their ability to analyse data. We will be learning about the different charts and tables and creating questions and statements for others to answer or prove.

Also this half term, the children will be working on the place value of hundreds, tens and units within 3 digit numbers.

Geography

As Geographers, the children will work on their knowledge of Ancient Greece, where and why different city states settled in different places.

Modern

Languages

As linguists the children will be taught by Madame Warnes every Friday morning to increase their understanding and fluency of French in everyday situations.

Music

As musicians the children will develop the children's ability to create, combine and perform rhythmic and melodic material as part of a class performance of a song.

Science

During this half term, the students will be looking at the effects of light, how it moves and the different shapes created from different shadows. We will also look at different light sources and create several experiments to keep safe in the sun.

The students will also research famous scientists and their achievements.

Finally the children will conduct scientific experiments to fit alongside to fit alongside our topic work on the Olympics.

Physical

Education

Outdoor P.E. will take place with Mr. Tranmer on Friday afternoons.

Swimming will take place on Monday morning at Oundle school swimming pool.

Religious

Education

Year 3 will be focussing on the religion of Islam during the Summer term. We will learn all about their 5 Pillars of faith, and how they celebrate their faith.

The Ancient Greeks

Mr. O'Shea and Miss Lamsdale

Summer 2.

Important Dates

Monday: Swimming.

Wednesday: Spelling test and new spelling handed out.

Tuesday: Homework Club

Thursday: Homework handed in and library books changed (if needed).

Friday: P.E. (outdoors) with Mr Tranmer (AM), French with Madame Warnes (AM)

Mr. O'Shea is out of the classroom Friday AM.

Homework

Year three will be given weekly spellings that will be tested that Friday. Although we will focus on these in school, practice at home would be much appreciated.

The children will also be asked to complete a 'Learning Journal' as part of their homework. They will be asked to demonstrate their learning from literacy, numeracy or topic sessions that week, and they may choose their own way of doing so. Please see the front of their Learning Journal for further details and ideas.

Reading is an integral part to all learning. Please encourage your child to read independently, and when possible hear them read aloud. It is important that your child understands and can talk about what they are reading as well as decoding the words. Please use the suggested questions at the front of the reading record to help you with this.

Homework will be given on Fridays for completion by the following Thursday.
