

## Curriculum Overview for Year 3

### English

As writers, the children will be writing a one sided argument as part of book fortnight. The children will also be writing their own play script and will end the half term exploring a variety of poetry. Year 3 will be developing their speaking, listening and drama skills in order to perform their performance poetry at Oundle Festival.

As readers, the children will read a variety of texts and genres based on our Topic the Savage Stone Age. The children will take part in class guided reading sessions where they will learn a new comprehension skill and apply this in their group reading with an adult.

### Art/DT

As artists, the children will make bowls out of clay and their own clay figurines based on the figurine found in Romania nicknamed 'The Thinker'.

### PSHE

As individuals, the children will develop their understanding of how to stay healthy. We will look at how exercise affects our bodies, develop our understanding of drugs and how to stay safe around the home.

### ICT

As technologists, the children will develop their understanding of E-safety and will discover how to use a range of input and output devices efficiently.

### Mathematics

As mathematicians, the children will develop their understanding of formal multiplication and division. The children will also develop their understanding of time and money.

The children will develop their understanding by using concrete apparatus, formal written methods and a variety of mathematical investigations.

Throughout the year, the children will continue to improve their understanding of the times tables up to 12x12. A times tables test will be conducted on Thursday mornings.

### Modern Languages

As linguists, the children will be learning how to talk about family and friends. This will include describing their appearance and understanding the difference between masculine and feminine.

### Geography

As geographers, the children will be able to name and locate different areas found within Great Britain and Europe where significant prehistoric sites have been found.

### Science

As scientists, the children will be learning about forces and magnets later in the term. The children will develop their understanding through a range of exciting practical experiments and investigations.

### History

As historians, the children will learn about the chronology of the Stone Age, including the three main periods. They will discover how people lived, hunted and how they changed over time. The children will also be performing their class assembly to display their learning so far.

### Physical Education

As competitors, the children will learn the basic skills and techniques for netball. The children will then eventually put these skills into practise by playing High5 netball.

### Religious Education

As theologists, the children will be developing their understanding of Judaism. We will be particularly focusing on family life in Judaism.

# **Savage Stone Age**

**Year 3 Spring 2**

**Mrs Foster &  
Miss Lamsdale**

**Important Dates**

**Monday:** Spellings handed out

**Thursday:** Homework handed in and library books changed (if needed). Miss Boyers teaching AM (Mrs Foster out of class). Tackling Tables test AM

**Friday:** Spelling test, PE (PM), Homework handed out.

**Homework**

Year Three will be given weekly spellings that will be tested that Friday. Although we will focus on these in school, practice at home would be much appreciated.

The children will also be asked to complete a ‘Learning Journal’ as part of their homework. They will be asked to demonstrate their learning from literacy, numeracy or topic sessions that week, and they may choose their own way of doing so. Please see the front of their Learning Journal for further details and ideas.

Reading is an integral part to all learning. Please encourage your child to read independently, and when possible hear them read aloud. It is important that your child understands and can talk about what they are reading as well as decoding the words. Please use the suggested questions at the front of the reading record to help you with this.

Homework will be given on Fridays for completion by the following Thursday.
