

King's Cliffe Endowed Primary School

Growing a Love for Learning

Issue 32

8th June 2018

Tea-Time Talk

Our school value of the fortnight is FAIRNESS. Please take some time to talk to your child about the importance of treating people without favouritism or discrimination.

This Weeks Good News

At the end of term, we managed a rather wet but successful Maypole festival! Each of the classes performed their routine in the hall for their families and it was wonderful to welcome the Pre-School to the celebrations. Thank you to everyone that came and for those that donated cakes to sell; we managed to raise £107.26. Thank you to Elliot (year 6) who took photos of the event; when these are uploaded onto the website, we will let you know.

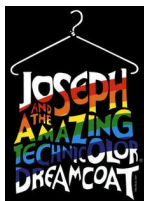

Year 2 enjoyed a fabulous Pirate workshop on Tuesday; they were all given a pirate name and spent time learning about famous pirates. Mrs Horton got placed in the stocks, they walked the plank, took part in a treasure hunt and played traditional pirate games.

Year 6 visited the science labs at Oundle School on Tuesday afternoon as part of their transition to secondary school. Mrs Yeo led them in a Physics class where they investigated the amount of newtons (force) required to pull a party popper. They then experienced biology by investigating the difference between plant and animal cells; they prepared their own slides and studied them under the microscope. It was a fabulous afternoon that gave them a real taste of what science will be like from September.

We are delighted to welcome Mr Rob Hayes as a new trainee teacher; during the summer term he will spend time becoming familiar with the school, but will predominately be based in Year 2. In September he will continue to work with a range of year groups, but will mainly be working in Year 6. We look forward to getting to know him over the coming weeks.

Congratulations to Maia (Year 6) who achieved a distinction in her Grade 2 violin exam; what a fantastic achievement.

Rehearsals have begun for this years leaver's performance which is Joseph and the Amazing Technicolour Dreamcoat. It won't be long before we're all humming along to Any Dream Will Do! We can't wait... more details to follow soon.

Outdoor classroom Day

Mrs Jones is organising another outdoor classroom day for the whole school on Friday 15th June where each class will be making things from recycled materials to link with their topic work.

We would welcome donations of any large cardboard boxes, 2 litre drinks bottles (with lids) and empty kitchen or wrapping paper roll tubes. Thank you to those who have donated boxes so far.

Diary Dates

Monday 11th June

One Touch Football for yrs 1-3 & 4-6 3:30-4:25
Tennis Club for yrs 3-6 3:30-4:30
