

## **KING'S CLIFFE ENDOWED PRIMARY SCHOOL RESULTS 2023-24**

The information below compares the attainment of our pupils with the previous year's national averages. We are delighted with the excellent results across the school. They are a tribute to the children and the staff.

### **Early Years Foundation Stage**

**77%** of pupils in Reception attained a Good Level of Development against the Early Years Goals, compared to the national result of **67.7% for 2024**. A 'good level of development' can be defined as a child reaching the 'expected' level of development at the end of their reception year. Children's progress is evaluated on their learning outcomes in relation to 7 Early Learning Goals (ELG).

- Communication and Language
- Physical Development
- Personal, Social and Emotional Development (PSED)
- Literacy
- Maths
- Understanding the World
- Expressive Arts and Design

### **Year One Phonics Screening**

**81%** of pupils in Year One attained the expected standard in the Phonic Screening test. This is in line with the national of **80% for 2023**.

### **Key Stage One**

At the end of KS1 (Yr2), SATs are no longer statutory; however, we use past papers as quizzes with pupils to aid teacher assessment.

Judgements are made as follows:

**Expected Standard** – Working at the expected standard for a child at the end of Year 2

**Greater Depth** – Working at greater depth within the expected standard, with a strong understanding of the curriculum.

Attainment at the end of KS1 is above the national average in all subject areas.

<b>END OF KS1 SATs RESULTS 2024</b>		
<b>SUBJECT</b>	<b>KCEPS 2024</b>	<b>NATIONAL 2023</b>
Reading – Expected Standard or Higher	87%	67%
Higher Standard (Greater Depth)	20%	18%

Writing – Expected Standard or Higher	83%	58%
Greater Depth	10%	8%
Maths - Expected Standard or Higher	87%	68%
Greater Depth	20%	15%

### Key Stage Two

Children in Year 6 are assessed on their knowledge and understanding of the curriculum.

The results of the SATs are reported using a scaled score, where a score of 100 represents the expected standard. The highest possible score is 120 and the lowest is 80.

Children are awarded one of the following Teacher Assessment judgements in writing:

**Expected Standard** - Working at the expected standard for their age

**Greater Depth/Higher Standard** - Working at greater depth (higher standard) within the expected standard and has a strong understanding of the curriculum.

In addition to these measures and in line with requirements, we have reported the percentage of children achieving a **Higher Standard/Greater Depth**. Children with a scaled score of 110 and above are included in this group.

For information for parents, please see the leaflet [Information for parents KS2](#) from the Standards and Testing Agency.

Attainment at the end of KS2 is above the national average in all subject areas and combined.
