### This Week's News

#### Small Schools Football County Final

On Tuesday our boys football team took part in the Small Schools Football County Finals. The team were amazing and showed great teamwork, resilience and sportsmanship throughout the tournament.

KCEPS achieved another incredible sporting result with the boys coming 5th place, making the 8th placed school in the county!

Thank you to Mr Arthur for supporting the team and to the parents for transporting. Well done to all!

#### Oundle STEM

Also on Tuesday our Year 5 class had another fantastic Oundle STEM lesson, the children created solutions working on neutralising acids and alkalines.

#### Spring Targets

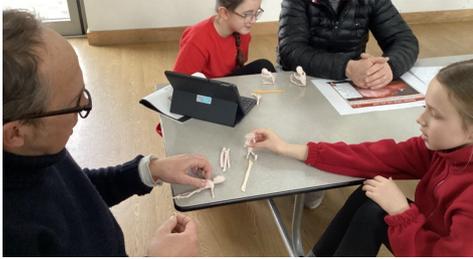

Your child's Spring Targets will be out over the next few days, these will be on Tapestry. Please take some time to watch the videos and talk to your child about these.

*Our curriculum builds on the strong roots of our values to take the children on a journey of knowledge to 'grow a love for learning' and develop skills for life.*

## This Week's News cont....

### Year 6 'Tou'can do

On Wednesday Year 6 had their second 'Tou'can do sessions; everyone got really immersed in the activity; supporting the children to create their wire armature and clay sculpture to represent a victim of Pompeii. Thank you to everyone who came and supported our 'Tou'can sessions; we hope you enjoyed it.

## ECO Council

At the latest Eco council meeting the students were keen to do everything they can to recycle. There is a rail outside the school office for students to choose an outfit for world book Day, on the 5th March. The outfits are like new, FREE and helping to save the planet. Please help by donating any unwanted costumes and come and pick a new one. What's not to like? Save money—save the planet!

Battery recycling will soon be available - watch this space.

### Great British bird watch.

The Eco team are keen for everyone to be involved. At school we will be running bird related activities at lunch times and would love for people to do the hour birdwatching at home next weekend to help support the RSPB. We will be taking part in the school bird watch too and will let you know the results.

### How to take part in Big Garden Birdwatch from the 23rd-25th January

Taking part is as easy as 1,2,3

1. Watch the birds around you for one hour
2. Count how many of each species of bird lands on your patch
3. Go online and tell the RSPB what you saw

**Price:** Free to take part

**Location:** Your garden or through a window of your house  
We would Love to see your pictures and know how you got on.  
Finally, the Eco Council are hosting an art competition, launching on Monday. Closing date 11th February. Winners announced in celebration assembly on the 13th February. We want your pictures of British birds. There will be prizes for each age group. We can't wait to see your entries.

These were the amazing entries from last year.
