This Week's News

Children's Mental health week

The whole school have taken part in lots of lovely assemblies and activities this week around Children's Mental Health week. KS2 took part in a doodle workshop led by one of our Governors Anne Wesley, the children spent time creating their own doodle patterns giving themselves another strategy to manage mental health and wellbeing. One of the highlights from the week were all the children in assembly doing the macarena; they were all fantastic.

Today all the children and staff came to school dressed in whatever made them comfortable and expressed who they are. It was lovely seeing everyone showing their sense of self!

Safer internet day

As a school, we celebrated Safer Internet Day on Tuesday. The whole school had an assembly to discuss what Artificial Intelligence is, how great AI can be in our everyday lives and how we can be responsible users of AI. During the day all children had the opportunity to explore AI in a safe and responsible way. It was great to see Year 3 engage in a live lesson, Year 6 brought their own drawings and characters to life using an animation tool and the EYFS used a Brick It app to help us make Lego creations.

Our curriculum builds on the strong roots of our values to take the children on a journey of knowledge to 'grow a love for learning' and develop skills for life.
