Record of PPG spending by item/project

Item/project	Cost	Objective	Outcome and Impact
Learning Support Assistants: 1:1; Group support and Interventions	£16,000	Academic	Children identified as benefitting from small group intervention work have been withdrawn and had individual learning programmes developed by experienced staff from within school, or have been allocated time for adult support within the classroom, so that the quality first teaching they experience from the class teacher can be built upon by the support assistant to ensure their individual needs are met and they achieve significant progress. See progress data in English and Maths. The pupils' survey shows, <i>'100% of children feel the teaching is good and they learn a lot in lessons.'</i>
Lunchtime Support Staff: 1:1 support & Positive Play.	£2000	Mental Health & Well Being	Children identified as benefitting from lunchtime support to help them cope with free play. This has improved their playtime experiences. The pupils' survey reports, <i>'100% of children feel happy and safe at KCEPS.'</i>
Teaching Staff FTE0.1 (Half day per week)	£4000	Assessment	Teacher responsible for Assessment working with children identified as benefitting from small group intervention work and providing them individual learning programmes for Teaching Assistants to deliver high quality teaching support.
Learning Mentor	£2000	Mental Health & Well Being	Our Learning Mentor runs the school's Early Help Stage 1 programme. She aids children with mental health, social and emotional problems, family bereavement, illness or attachment issues and she supports our gifted and talented children who are experiencing difficulties. The Pupil Survey 2019 found <i>'100% feel safe in school, 100% believe adults in school help them to do as well as they can and 100% feel teachers are interested in their point of view.'</i> The Learning Mentor supports children in achieving a healthy mind-set and therefore assisting all children to feel successful in their learning.
Staff Training: Ask Membership (25%) Staff training	£550	Academic; Mental Wellbeing	Training for our learning mentor in social and emotional strategies has given children the opportunity to be able to talk about issues and think about positive ways in which to deal with them. Paws B Mindfulness gives staff strategies for dealing with stress and building their resilience. Therefore, promoting strong mental health and well-being. The Pupil survey reports <i>'100% feel the school staff listen to their problems and 100% feel safe.'</i>
Professional Consultancy Family Worker	£300	Mental Health & Wellbeing	Early intervention work with families has had a positive impact on children's mental health, their mind-set and therefore their learning. Support for families has given parents and children the opportunity to work through issues in a positive manner and put them in contact with support groups/councillors. This has enabled the child to be able to move forward with their learning development.
