#### Year 3 Legoland Trip

On Tuesday, our Year 3 pupils enjoyed an exciting and memorable trip to Legoland. The day was filled with laughter, discovery, and plenty of adventure as the children explored the park together.

One of the highlights of the trip was Miniland, where the pupils were amazed by the detailed models of famous landmarks built entirely from LEGO bricks. It sparked lots of curiosity and led to great discussions about different places around the world.

The children also had the opportunity to enjoy a variety of rides. From gentle rides to more thrilling roller coasters, there was something for everyone. Many pupils showed great bravery as they tried rides they had never been on before. In addition to the rides, the group took part in a hands-on workshop where they worked in teams to design and build their own LEGO creations. This activity encouraged creativity, problem-solving, and teamwork—skills we value highly in school.

Throughout the day, the pupils represented the school beautifully. They demonstrated excellent behaviour, listened carefully to instructions, and showed kindness and respect towards one another and members of the public.

Thank you to Mrs Sherriff, Mrs Tomlinson and Mrs Copeland for helping on the day.

Our curriculum builds on the strong roots of our values to take the children on a journey of knowledge to 'grow a love for learning' and develop skills for life.

## A Message from the Governing Body

Wow! What a day!

On Tuesday we got the opportunity to accompany Year 3 on their trip to Legoland. The children's behaviour was fantastic and they demonstrated our school values impeccably.

The children showed respect when talking and used their inquisitive minds and curiosity to ask lots of questions. During their learning workshop, they had the chance to apply their geographical knowledge, learning more about the world's oceans and continents and creating Lego models of places that might be found there. The children showed great imagination, and their creations included the Great Pyramid of Giza and blue macaws!

Even though it was a very busy day, the children showed courage and bravery in going on big rides! Well done!

Thank you to the staff (and the children) for all their planning that went into the day. A wonderful time was had by all with the children representing the school incredibly well.

Eve and Victoria

### Sun hat and sun cream

Finally, now we have a little bit of sun, please can we remind you that children should have sun hats in school; also for sun cream to either already be applied or have some labelled to apply at school.

Please also remember a water bottle.

Many thanks
