This Week's News

TATA Steel Triathlon

On Tuesday morning our Years 4 and 6 took part in the Brownlee Foundation and Tata Kids of Steel Mini Triathlon Event. They all did amazingly well and the team spirit was in full force. They cheered on their peers and all smashed the challenges. It may have rained but this didn't stop them and there were so many smiling children and adults. Thank you to Mrs Harris, Mrs Jones and Mrs Bent for your support and encouragement. What a fantastic opportunity for them all!

Quadkids Event - A Fantastic Week of Athletics

On Wednesday Years 3, 4 5, & 6 had the wonderful opportunity to take part in an exciting Quadkids athletics event, and what a fantastic day it turned out to be! The event brought together children from local schools, giving them the chance to showcase their athletic skills, teamwork, and determination.

The competition saw each participant complete different events including a standing long jump, and a throwing activity. Our students approached each challenge with enthusiasm and resilience, demonstrating tremendous effort and sportsmanship throughout the day despite the weather.

From the very first race to the final throw, it was inspiring to see so many smiles, supportive cheers, and positive attitudes. The children encouraged one another, celebrated each other's achievements, and showed great respect for competitors and officials; these qualities reflect our school values.

We are incredibly proud of all the children who took part. Not only did they represent the school brilliantly they showed real confidence in trying new events. Their behaviour, effort, and teamwork were exemplary.

A big thank you goes to the staff who accompanied the children and the family members for transporting.

Well done to everyone involved!

Our curriculum builds on the strong roots of our values to take the children on a journey of knowledge to 'grow a love for learning' and develop skills for life.

Reception Trip

On Thursday our Reception class took a trip to the seaside. They visited Hunstanton's Sea life Centre where they got to look at all the sea creatures as well as the rock pool. After lunch the children had fun at the beach, collecting rocks and shells and drawing in the sand. The children showed all the school values and were amazing. Thank you to Mrs Chapman and Mrs Bowen-West for helping on the Trip!
