

Updated by King's Cliffe School Council—November 2016

We know that our teachers will tell us where we can keep our bottles in class and we know not to put them on our tables.
We will try to remember to have a drink at lunchtimes and playtimes.

We will ensure that everyone knows where all the water fountains are around the school.
If we haven't got a water bottle our water fountain is available all day and this can be used to drink from, or to fill up our water bottles.
We should bring our own water bottle to school, but we must look after it and collect it to take it home to wash.

We know it is important to drink water when we need to.

We agree that :
