

We can go to www.thinkuknow.co.uk for help.
 We know how to stay safe on the internet.
 We know to keep our personal details to ourselves.
 We know we are too young for social networks.
 If we see something we don't like we know to tell a grown up.

Cyber-Bullying

We will keep our phones, tablets at home and not bring into school.
 We only open and send e-mails to friends and family and we make sure an adult is with us.
 When using the internet, if something pops up we are unsure of we will speak to an adult.
 If we are unsure about a website we ask a grown up to look at it first.
 We only use websites we know are safe.
 We only use the internet when an adult is with us.
 These rules help us to keep safe on the Internet: **'Think then Click'**

Where can I get more information and help?

- www.thinkyouknow.co.uk Think You Know
- www.childnet.org.uk Child Net
- www.bbc.co.uk/cbbc/help/safesurfing BBC Guides
- www.cybersmartkids.com.au Cyber Smart Site
- www.chatdanger.com Chat Danger
- www.digizen.org/cyberbullying Cyberbullying
- www.netsmartkids.org Net Smart
- www.ceop.gov.uk

These are just a few, there are many more that you can use. You can search the internet for E-Safety help too.
