King's Cliffe Endowed School Water Policy

We agree that :

We know it is important to drink water when we need to.

We should bring our own water bottle to school, but we must look after it and collect it to take it home to wash.

We will ensure that everyone knows where they can re-fill their water bottles.

We will try to remember to have a drink at lunchtimes and playtimes.

We know that our teachers will tell us where we can keep our bottles in class and we know not to put them on our tables.
