This Week's Good News

Year 1 trip

On Wednesday Year 1 took a trip to Rockingham Castle. The children got to have a tour of the castle grounds both inside and outside. Whilst on the tour they tried on helmets like the knights. They also got to climb up the tower and could see for miles. They finished the day exploring the gardens and looking for hidden objects. Year 1 represented the school amazingly well. Thank you to Mrs Close for helping on the trip.

Cross Country

Also on Wednesday some of our Years 3,4,5 & 6 took part in the Primary Schools Cross Country Competition held at West Glebe Park. The weather conditions couldn't have been any worse for a run around a muddy, windy, rainy and boggy ground park; but as always KCEPS smashed it. We are so pleased with the resilience and determination shown by every single child who took part; we are extremely proud of you all. Well done! A special mention goes to:

Leo S (Y4) - FIRST PLACE

Tom T (Y5) - FIRST PLACE

Freddie L (Y5) - SECOND PLACE

Mia T (Y4) - SECOND PLACE

Ellie G (Y6) - SECOND PLACE

Emily M (Y6) - THIRD PLACE

Byron St (Y3) - THIRD PLACE

and SO many others who qualified for the county finals in two weeks time! Finally thank you to all the parents and grandparents who took the children to the event and a massive thank you to Miss McMullen who braved the weather conditions to be there for everybody's races and to be their biggest cheerleader!

Year 6 Remembrance Assembly

Lest We Forget...

This morning, Year 6 led an assembly of remembrance for the whole school following a special curriculum day yesterday, linking to their topic of 'Conflict!' The children spoke about its importance, why we have it, how it is celebrated, and the significance of this around Great Britain and the commonwealth. They wrote poems to show their understanding of the different coloured poppies, which they shared as part of our service. We could not be more proud of all of Y6 for their mature, reverent, and respectful manner in their delivery of such a Poignant message. Well done to the rest of KCEPS who respectfully listened and took part in a 2 minute silence.

ECO Council

November is Cut your Carbon Month and with this in mind our wonderful ECO Council have been working on ways to deliver the message. They will be holding special assemblies and talking to the classes about how they can help reduce carbon. Please find attached some information which you can go over with your children and help do your bit!

Look out for more information from your children.

Thank you
