This Week's Good News

OMEC

Some of our Year 5 and 6 students attended the Oundle Mathematical Enrichment Conference on Tuesday. They had a number of mathematical challenges and problems to solve. The children said the activities were hard, however they enjoyed the challenges and had lots of fun. Thank you to Mr Collin for accompanying them.

NSPCC

All the classes have taken part in some NSPCC assemblies this week ready for some of the year groups taking part in workshop held by the NSPCC speak out team next week. The children found this very insightful. Please chat to your child about this.

Great British Garden Birdwatch

The Eco Council have been preparing ready for the Great British Garden Birdwatch which is taking place next weekend. If you visit the RSPB website it gives you details about the event and how you can submit your results. It is free, it is fun and only takes an hour. The Eco Council would love as many students to participate as possible. In school everyone will be doing a school Birdwatch; looking at all the birds we have on the school grounds. Our Eco council will be doing some Bird related activities such as bird feeders, drawing and quizzes during our happy lunchtimes.

Attached is some artwork our Eco Council Team have already done.

**Big Garden
Birdwatch**

26-28 January 2024

Big Garden Birdwatch
2024. Together, let's make
it count!

This Week's Good News

THIS WEEK'S AWARDS—WELL DONE TO YOU ALL!
