

Medium Term Plan - Year 3 (Summer)

RIVERS

<u>Intent:</u>	<u>Implementation:</u>	<u>Impact:</u>	<u>Celebration:</u>
<p>We are teaching this theme so that the children will learn about the physical features of rivers and their impact on the landscapes and settlements surrounding them. The children will want to discover how their own community links to a river and how it changed over time. They will learn about important rivers across the world with a focus on the River Nile; they will begin to link this with their understanding of settlements and how important rivers are today and in the past. The children will learn about Ancient Egypt and the impact The Nile had on its civilisation.</p>	<p>Y3 are going to learn about rivers today and in the past, linking this to the impact that they have through a range of lessons including outdoor, practical learning, studying images, reading non-fiction accounts alongside a local fieldwork study. They will research and talk to people who use rivers to understand how important they are for trade, pleasure, transport, and the environment. Also, the children will be immersed in their learning, which will include: art, geography, PE, history, and drama.</p>	<p>We will measure how children use geographical language of rivers (physical features) to show their understanding; they will be able to discuss the fieldwork that they have completed and how their local community is impacted by having a tributary flow through it. Y3 will be able to discuss the importance of The Nile in Ancient Egypt and show their understanding through their work.</p>	<p>Y3 will share their learning through Tapestry to their parents. Children will show their learning through their POW homework projects.</p>

Term	Summer 1							Summer 2						
Subject/Week	1	2	3	4	5	6	7	1	2	3	4	5	6	7
English	Non-Fiction: Non-chronological Report			Fiction: Contemporary story				Non-fiction: Instructions				Fiction: Traditional Tales		
Guided Reading book														
Spelling	Y3/4 Spelling Rules													
Handwriting	Tricky joins revision and spelling words													
Maths	Measurement: mass	Time: durations	Fractions - tenths (linking to decimals)	Addition and subtraction: money	Statistics: bar charts	Measurement: volume	Time: nearest minute	Equivalent fractions	Missing number problems	Statistics: tables				
Science	Plants							Animals including humans						
Computing	Online Safety	Creating media - desktop publishing					Online Safety	Programming - events and actions in programs						
History	The Nile & King's Cliffe Tributary - past and present							Ancient Egypt						
Geography	Geography Day	Geographical understanding of rivers					Geography Day	Local geographical fieldwork						
Art	Flower paintings Artist study: Georgia O'keefe							Sketching: Tomb drawings (Papyrus paper)						
DT	Materials & structures: Bridges							Textiles: Pharaoh slippers						
PE 1	Swimming							Swimming						
PE 2	Maypole							Athletics						

Spanish	Vegetables		Seasons		
RE	Sikhism Do Sikhs think it is important to share?		Sikhism What is the best way for a Sikh to show commitment to God?		
Music	Bringing Us Together		Reflect, Rewind and Replay		
PSHE	Relationships	First Aid	Changing Me	Radicalisation & Extremism	First Aid
Class enrichment	Fieldwork Trip		Now Press Play		
Whole School enrichment days	May Day		Enterprise TASC Week	Sports Day	
Class Assembly	N/A		N/A
