This Week's Good News

Konflux Theatre in Education

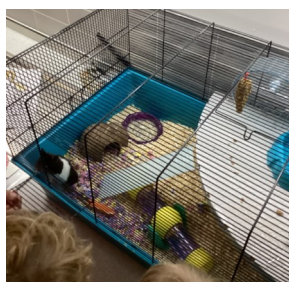

On Thursday and Friday all our Year groups got to take part in a online safety workshop held by the Konflux Theatre. KS2 started the workshop with a discussion of the uses of the internet, how we use it, how we like using it, the dangers, the positives and the negatives. They then went on to do a few movement games involving following rules and instructions to model how important it is to follow rules for our own safety and the safety of others too. KS1 learnt the importance of staying safe on line and what devices people have at home, they also played games to understand about not giving our personal information and staying safe online.

Pre-School's Week

Our Pre-School have had a very busy week this week; they have done everything from Pancake Day fun to Valentines and they had a little visitor. The children got to enjoy all things Pancakes from decorating to tossing. They discussed the importance of pancake day and valentines as well as having lots of fun.

To fit in with their 'Animal Theme' Harry from Year 5 brought his hamster into Pre-School. The children all got to spend some time with Oreo, see her in her cage and her ball; they found out all about her food, what she drinks and how she gets her exercise. The children asked some amazing questions and showed responsibility while Oreo was there.

This Week's Good News

Wizard of Oz—King's Cliffe Players

The King's Cliffe Players have been putting on this Years' Panto, The Wizard of Oz. It is so lovely that some of the children from KCEPS have been part of the show and we have received some wonderful feedback about how brilliant they all are. As we often say its never easy standing up in front of people and performing; so well done!
