King's Cliffe Endowed School Water Policy

We agree that :

We know we must stay well hydrated throughout the day, everyday.

We should bring our own water bottle to school, but we must look after it and collect it to take it home to wash.

We all know where we can re-fill our water bottles.

We will remember to have a drink of water at lunchtimes and playtimes.

We know that our teachers will tell us where we can keep our bottles in class and we know not to put them on our tables.
